Car Parking

Parking is available in the official car parks adjacent to Wembley Stadium and can be pre-booked via City and Suburban Parking (CSP). For pricing or to book a space, please visit <http://www.wembley.co.uk/Parking.htm>. Alternatively call the telephone booking line on: 0208 795 1758 and leave your name and number and CSP will return your call. Up to 2900 car park spaces are available including dedicated areas for blue badge holders, coaches, minibus and motorcycles.

There are a number of unauthorised car parking operators within the Industrial Estate on the approach to the Wembley complex. For your own protection, we would strongly advise that you do not use these and choose Wembley City Official parking.

The local authority operates a protective parking zone on event days, extending in a 1.5 mile radius around the Stadium. Only residents with permits will be allowed to park within this zone and the local council has stated that illegally parked vehicles will be issued with large parking fines and/or towed away.

Complimentary bicycle parking is available on street level (B2) in the north east corner of the Stadium (near the Green car park).
